MAGMAX            by Nichibutsu  
MAGMAX            an exciting new video game!  
MAGMAX            with MAGnetic player appeal!  
MAGMAX            the MAXimum in earning potential!  
MAGMAX            the MIGHTY ROBOT defender!  
MAGMAX            featuring all new 16 Bit Hardware system!

Take control of Maxcraft and begin the final adventure! Launch your Maxcraft from hidden rebel base and search for the pieces to create an unstoppable weapon! Beware, as you travel the terrain will constantly change! Enemy forces are out, and in greater numbers than the brave rebel forces. Prepare to face ever changing aliens that are ever so very clever. Terra is possessed by these metal forces that inhabit the land, the sea and even Terra's underground! Use the transporters to "WARD" above and below ground to battle these mysterious armies. The greater your strength, the greater the chance of freedom, so combine the HEAD & LEGS with Maxcraft to form MAGMAX! Find the HEAT RAY GUN and become all powerful and mighty MAGMAX! Sweep the land and deserts of these mechanical madmen! WARNING!!!!!!!!!!!! These forces are led by the most terrifying creature man has ever seen! A three headed DRAGONSHIP that spits fireballs! Your mission is to destroy it and then venture further into the unknown. Good luck! Your going to need all the help you can get.
